Selection Process

Q10. How will I be matched to the project / organisation?

Your application will be evaluated against the respective criteria of each project that you have identified in your preference selection.

Q11. What are the technical skills required for this apprenticeship programme?

Programming related projects will typically require proficiency in at least one programming language. Ability to showcase relevant knowledge and/or experience related for the project is more critical. Please refer to this [link](#) see the specific eligibility criteria for the respective projects.

Q12. What is the shortlisting process?

There are two stages of the shortlisting phase:

Stage 1: Technical assessments

There will be **several assessments** that you will be taking based on the projects you are shortlisted for.

Stage 2: Interviews

Shortlisted candidates who successfully pass technical assessments will be invited to attend interview sessions with organisations and a second interview with SGInnovate. Additional technical assessments may be administered by the organisations you apply to during this phase.

Q13. How and when will I know the outcome of my application?

Candidates will be informed of their application status via email. Shortlisted candidates will receive additional instructions.

Post Selection

Q14. What will happen after I am selected?

You will sign a contract with SGInnovate and the organisation before you start your apprenticeship.

Q15. When and how will I be receiving my stipend?

Your monthly stipend will be paid out along with the organisation's monthly payroll.

Q16. I am a Singaporean or Singaporean PR, will I be paid CPF?

CPF is typically payable for non-credit bearing internships. Your university may offer exemptions to CPF contribution, you will need to contact your administrative office more details. For fresh graduates, there will be no CPF contributions.

Q17. What will happen upon the completion of the Summation Programme?

We will award you with a certificate of participation. Any working agreement (for example, part-time work) beyond the stipulated duration will be arranged directly between the student and the organisation. SGInnovate will not be involved.
